

AMBASSADORS for JESUS CHRIST

Guatemala, Central America

"We are therefore Christ's ambassadors, as though God were making his appeal through us. We implore you on Christ's behalf: Be reconciled to God."

"I became a mother at 14 years old. I was just a child myself." Those were Ines' words as she shared her story with us. Now at 24, she has four children, including one set of twins. She is a single parent and very impoverished. "I want to change my life! I want to follow God. I want to change my future." Ines made her profession of faith in Jesus Christ and was baptized during the Ladies' weekly Bible Study.

"Peter replied, "Repent and be baptized, every one of you, in the name of Jesus Christ for the forgiveness of your sins. And you will receive the gift of the Holy Spirit." Acts 2:38

ANNOUNCING A New Branch of the Ministry

Those supporting Ambassadors for Jesus Christ have made it possible to add a new branch to the ministry. We had already established a Boy's Club for ages 13-16 a couple of years ago, much like the one we had in the early years. In April, we formed a different Boy's Club for ages 8-12. Both clubs meet at the same time every other Saturday. Ivan has a passion to work with young boys and has taken the leadership role. Art mentors the leaders who in turn mentor the boys.

"I remember my first tea party as a little girl here in this ministry," Lidia shared. "I learned I needed to crook my little pinky," she laughed. "But this is also where I learned about Jesus Christ." Lidia, 27 and a mother herself, shared an impacting Mother's Day message at the outdoor event. "I grew up in this ministry!" she exclaimed. "I am so grateful for the outreach the Camarena family have in this community and consider it a privilege to now serve in this ministry as some of its "first fruits." Along with Lidia's message, the ladies (several of them accompanied by their mothers), played games, sang songs and ate delicious homemade food. Each mother was blessed with a Mother's Day gift.

One of the donors of this ministry gave the gift of dignity to a family of five. *(Sorry for the graphic pictures, but they are necessary to appreciate the improvement.)* Their previous outhouse walls were made of old torn sheets. Not only were we able to build them a new bathroom, but also to install a shower with an instant water heater. They had nowhere to bathe and had lived that way for several years. They are so grateful for this improvement. It has changed their lives! Now we have hopes to improve their house.
