We want to express our heart-felt gratitude to those who participated financially and/or in prayer for our vehicle. We were finally able to purchase a 2008 Mazda CX-9 that seats seven. We were subsequently able to sell our 1998 Mazda MPV, known as "Daisy", at a favorable price to a young couple expecting their first child. We even equipped it with an infant car-seat and a baby book. God had a plan.

This year has found us attending an engagement party and numerous weddings, only some of which are pictured here. We have known the bride or the groom since they were young kids. They either grew up in the Children's Bible Study or were a member of our previous Boy's Club. It has brought us great joy to be a significant part of their lives. "...and they shall become one flesh." Genesis 2:24

In addition to our weekly Bible Studies, the Character Initiative took us to the interior of Guatemala to work with the Character Committee of a Credit Union. Closer to home, we baptized a family in our yard and honored Art for Father's Day in the Lady's Bible Study. We enjoyed getting together with long time friends, Mark & Ligia Walker, from Scottsdale, Ariz., as well as, new friends from Shanghai, Tanzania, Hawaii and Canada that are here building a new power plant.

THANK YOU to those who have responded to our need to increase our monthly support! We are simply not keeping up with the cost of living. We are in need of raising an additional \$2,000. per month. If you are currently a donor and feel you can increase your giving (no matter the amount), that will help greatly. If you have not yet joined our ministry team and would like to join us, see the information below. Please pass our newsletter on to your friends or at your church. Other ways of giving are through stocks, bonds and mutual funds (call CTEN) and/or making a legacy gift through your will or estate planning. Ultimately, we trust in the Lord for all our needs, but we also know He uses people to accomplish His work.
